Hello John,

As indicated in the attachment, McKesson is no longer claiming CBI on their 9/28/09 104(e) Information Request. You had previously indicated that you were interest in obtaining a copy of this 104(e). Will you please let me know if you still want a copy. If so, EPA will need to review for Privacy Act information before we release it.

Re: McKesson Corporation's Claims of Confidential Business Information Over Certain
Responses To EPA's 104(e) Requests

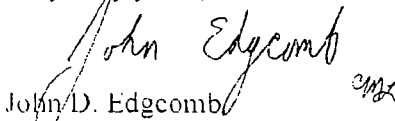

Dear Mr. Berninger:

This letter is in response to your January 21, 2010 letter requesting that McKesson Corporation ("McKesson") further substantiate business confidentiality claims made over certain documents submitted to EPA on September 28, 2009, in response to a September 11, 2009 EPA 104(e) request.

McKesson has decided not to continue its assertion of business confidentiality pursuant to 40 C.F.R. § 2.203 over its September 28, 2009 response and the attachments to it.

Please advise us if you require additional information or have any questions.

Very truly yours,

John D. Edgcomb
